GENERAL SALES CONDITIONS

Inter-company Trainings

PRICES

The price is specified in the description of each of the courses offered. A discount is applied for participants from the same company and the same site attending the same training session. The price of the training course is established before tax. VAT will be charged in accordance with the regulations in force. Training invoices are payable on receipt.

REGISTRATION

A registration is considered firm upon receipt (at the latest two weeks before the start of the training) of the duly completed and signed registration form AND a purchase order from the company mentioning the session and the name(s) of the participant(s). Approximately two weeks before the session, we will send you a personal invitation for each participant.

COURSE

The training lasts 3 hours and is conducted online. The use of two screens is recommended, one to follow the instructor and one to practice. The training is based on the latest version of the software, options and features may be different if you are not using the latest version.

CANCELLATION BY THE CUSTOMER

A participant may be replaced by another participant, free of charge, provided that BIOSYSTEMES is informed at least 2 working days before the beginning of the session. The full amount of the course will be due if a cancellation is made less than one week before the date of the course or in the event of the participant's absence.

CANCELLATION BY BIOSYSTEMES

BIOSYSTEMES reserves the right to replace an instructor by another of equivalent competence, without changing the content of the course. BIOSYSTEMES reserves the right to cancel a course due to lack of participants. The client will not be entitled to claim any compensation whatsoever. In the event of cancellation, BIOSYSTEMES will inform the participant (by telephone and confirmation by email) at the latest two weeks before the planned date. Another session may be proposed. If only one participant is registered, the training will be proposed at a higher rate or may be cancelled. If the course is held and additional registrations are received, the original price will apply.

PERSONAL DATA MANAGEMENT

SAS Biosystèmes, established at 9 rue des Mardors 21 560 Couternon, collects these data in order to respond to your training registration request. The legal basis of the process is contractual. Your data is kept for a maximum of one year from the last date of registration. The data is then anonymized and can be used for statistical purposes. You can access your data, rectify them, request its deletion or exercise your right to limit the processing of your data. Consult the cnil.fr website for more information on your rights. To exercise these rights or for any question about the processing of your data in this system, you can contact our data protection officer by e-mail at dpo@biosystemes.com. After contacting us, if you feel that your "Data Protection" rights are not being respected, you may submit a complaint to the CNIL.
